

The First STEP to Your Future.

Access to Work Assistance, Training & Work Experience

STEP (Student Training Employment Program) is a program that matches motivated young people ages 16-21 with paid work experience & job readiness training. Get paid to get ready for work and be matched with an internship!

STEP provides:

- Job Readiness Training
- Up to 240 hours paid internship starting at \$16.50/hour
- Support from Workforce Specialists
- Pre-enrollment in DOR

To get started call (209) 300.1825 or email YouthServices@stanworkforce.com

Students are eligible if they are:

- Between the ages of 16-21
- Enrolled in school or show intent to enroll
- Have a disability, note from medical provider, IEP or 504 services through school
- Desire to work part-time & have transportation
- Live in Stanislaus County

STEP is a collaboration between the Department of Rehabilitation and Stanislaus County Workforce Development funded 100% by Department of Rehabilitation WIOA Title IV funds through a grant in the amount of \$393,075.70.

Seeking Employers

Host a STEP team for a short-term project & help motivated young people gain real world work experience. You provide the work experience, while STEP provides payroll, wages, & workers comp liability. STEP provides on-site job coaching & employer support.
