C.Russell / K. Helton unan. Motion Passed

Sara Redd discussed that at the last Veterans' Development Committee on June 24, 2021 the Committee discussed steps on gathering and obtaining names of Veteran owned businesses and businesses with veteran hiring practices in Stanislaus County. Currently, there is very little current data available regarding Veteran owned businesses and business with hiring practices for veterans. Stanislaus County does not require veteran status questions to be answered during the application process for a business license. Also, the Modesto Chamber of Commerce does not collect data regarding Veteran hiring practices or Veteran owned businesses. The most reliable information found was from the 2012 Census. Businesses may register online with organizations such as vetbiz.va.gov, and hirevets.gov. Both organizations provide many resources to Veterans. A portion of an information video regarding registration was shown. Chairman Dossett discussed his personal experience with registering.

SUBJECT:

Approval of the updated Mission Statement for the Veterans' Development Committee

ITEM NUMBER: VII-A

ITEM TYPE: Discussion and Action

STAFF RECOMMENDATION:

Approve the updated Mission Statement to include underemployed individuals.

DISCUSSION:

On April 18, 2019 the Veterans' Development Committee approved the following mission statement:

“Maximize opportunities to promote and support a workforce system in Stanislaus County dedicated to economic prosperity for veterans by providing priority training, education and opportunities for successful employment.”

As well as the Workforce Development Board's vision statement as follows:

“To foster a demand-driven, skilled workforce that enables upward mobility through the alignment and integration of private and public partnerships.”

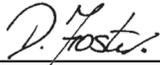

It was requested that the Mission Statement for the Veterans' Development Committee be updated to include underemployed individuals.

Based on this request, staff developed the following updated Mission Statement for the Committee's approval:

“Maximize opportunities to promote and support a workforce system in Stanislaus County dedicated to economic prosperity for unemployed and underemployed veterans by providing priority training, education and opportunities for successful employment.”

Once approved, the Committee's updated Mission Statement will be taken to the Workforce Development Board at the July 11, 2022 meeting.
